If a reserve is needed for a match, please ask someone from a lower team to play. If any of your team members are asked to play for a higher team, please encourage them to play if they possibly can as it is good experience for the player.

Players may play 7 times for any higher teams, but, if an 8<sup>th</sup> match is played for any higher team, the player is automatically re-registered for the highest team that he/she has played for. **Note:** A match played for a team in higher a division isn't counted if the player doesn't win any matches, including doubles. A match played for a higher team in the same division is counted, even if the player doesn't win any matches.
